

ME52W Mini Mono Microphone

- Reduces ambient noise
- Angle adjustable from 0 to 90 degrees
- Plug-in or Clip-on, two usages
- High sensitivity unidirectional microphone
- Windscreen included

Tie-clip low noise microphone

The ME-52W Noise Cancelling Microphone reduces ambient noise to enable even clearer recordings of targeted sound. It connects directly to the microphone input jack and with its tilt mechanism the direction of the microphone can be adjusted. It comes with a foam windscreen, an extension cord (1m; 3.3ft) and tie-pin clip to enable you to attach the microphone to your clothes.

Specifications
