

CSCH-68 High performance Neoprene Case

- Perfect for outdoor sports and daily use
- Available in 3 colours: black, light blue and yellow
- Multifunctional with built-in carabiner, belt loop and drainage

Tough Protection

Sporty neoprene case in climber pocket style especially designed for Olympus TOUGH series, but also fitting to most of the Olympus digital compact cameras. It protects your camera from scratches and provides secure storage. Equipped with built-in carabiner and belt loop for flexible transportation during outdoor activities. A handy drawstring and toggle closure allows for easy access on the move. The case is available in 3 fashionable colours - black, light blue and yellow.
