Classic Photo Bag Size L

The OM-D Shoulder Bag L is sized to carry your OM-D with lens attached, plus 2 additional lenses, as well as accessories like a flash, viewfinder, battery or memory cards etc. But there is more. Even the HLD-6 battery grip fits into the bag when mounted to the camera. The lightweight shoulder bag is made of high-grade nylon and is additionally equipped with a front accessory pocket, a smart grip and a detachable padded shoulder strap. Additional lenses are perfectly protected and secured as the bag provides 2 padded lens pouches which are safely fixed at the left and right top of the inner compartment. Part of the lens pouches are also the two smaller pockets for e.g. an extra battery, which also makes sure no accessories are getting lost. Altogether this is the perfect bag for the Olympus OM-D system. Dimension: height 16.5 cm, width 25 cm, depth 14 cm
