

PTBKS-E03 Adapter to attach a short arm to an underwater bracket

- To use an underwater flash the PTBKS-E02 can attach a short arm to an underwater bracket

Short arm adapter

With the PTBKS-E02 you can secure a short arm to an underwater bracket. The short arm will be attached to the underwater flash and through the PTBKS-E02 the short arm will be fixed to an underwater bracket (e.g. the PTBK-E02).
